The work authorized by this permit shall be completed within _____ day(s) after the date of approval by the Village of River Grove, otherwise the permit will be considered null and void.

This permit allowing occupancy and work on Village of River Grove right-of-way is approved.

Date:

Superintendent of Public Works

This permit is subject to the conditions and restrictions of the Village of River Grove Code of Ordinances and includes but is not limited to the following conditions:

- (1) The applicant and any subcontractors performing work shall provide all required submittals before this Permit becomes effective. Submittals include, but may not be limited to: (a) a Cash Restoration Bond in the amount prescribed by the Village; (b) a Construction Bond in the amount prescribed by the Village; (c) a Cash Deposit in Escrow for consultant review fees in the amount prescribed by the Village; (d) the Permit Fee; (e) a Certificate of Insurance naming the Village and the Village Engineer as "additional insured," with proper limits of coverage; and (f) evidence that the contractor(s) performing the work are licensed and bonded with the Village of River Grove.
- (2) The applicant represents all parties in interest and shall furnish material, do all work, pay all costs and shall in a reasonable length of time restore the damaged portions of the right-of-way to a condition similar or equal to that existing before the commencement of the described work. Restoration shall be as shown on the approved drawings and specifications, but as a minimum shall include 4" topsoil and sod restoration for all disturbed grass areas, 5" thick PCC for sidewalks, 7" thick PCC for driveways, 8" thick PCC base course constructed with 3/4" tie-bars drilled into the existing base course on 24" centers, unless otherwise specified and approved by the Village.
- (3) The proposed work shall be located and constructed to the satisfaction of the Village Engineer, Public Works Director, or other duly authorized representative. No revisions or additions shall be made to the proposed work on the right-of-way without the advance written permission of the Village Engineer, Public Works Director, or other duly authorized representative.
- (4) The applicant shall at all times conduct the work in such a manner as to minimize hazards to vehicular and pedestrian traffic. All signs, barricades, flaggers, etc., required for traffic control shall be furnished by the applicant.
- (5) The applicant shall not trim, cut or in any way disturb any trees or shrubbery within the right-of-way without the approval of the Village Engineer, Public Works Director, or other duly authorized representative.
- (6) The Village reserves the right to make such changes, additions, repairs and relocations within its statutory limits to the facilities constructed under this permit or their appurtenances on the right-of-way as may be considered necessary to permit the relocation, reconstruction, widening or maintaining of the roadway. The applicant, upon written request by the Village Engineer, Public Works Director, or other duly authorized representative, shall perform such alterations or change of location of the facilities, without expense to the Village. Should the applicant fail to make satisfactory arrangements to comply with this request within a reasonable time, the Village reserves the right to make such alterations and the applicant agrees to pay for all costs incurred.
- (7) This permit is effective only insofar as the Village has jurisdiction and does not presume to release the applicant from compliance with the provisions of any existing statutes or local regulations relating to the construction of such work.
